SOME SUNNYSIDE VOTERS TO RECEIVE BALLOTS FOR CITY OF TUCSON AND SUNNYSIDE SCHOOL DISTRICT ELECTIONS

For information about polling place ID requirements, please contact the Pima County Division of Elections at (520) 724-6830, or visit their web site at www.pima.gov/elections.

With the ballots being mailed for the City of Tucson election today, F. Ann Rodriguez, the Pima County Recorder, would like to advise that some Sunnyside School District voters will now have 2 separate ballots to complete. Of the roughly 27,000 voters in the Sunnyside School District, approximately 11,350 voters should receive 2 ballots: one from the County Recorder for the Sunnyside School District election, which was mailed on Thursday, October 10th and one from the City of Tucson for their election, to be mailed on Thursday, October 17. Not all Sunnyside School District voters are also in the City, so this does not apply to every voter who received a Sunnyside School District ballot. If you have any questions about whether or not you should have received two ballots, please don't hesitate to contact the Recorder at (520)724-4330.

It is very important that these ballots are kept separate and are returned in the correct return envelopes. The return envelopes are different sizes and the ballots for each will only fit in the correct envelope. To return the Sunnyside School District ballot, place the ballot in the envelope addressed to the Pima County Recorder. The ballot for the City of Tucson should be returned in the envelope addressed to City Clerk.
